I've been watching this quietly, for over three years now. Back in May of 2010, the United Steel Workers accepted a new three year contract, at West Point -- but it wasn't finalized, and checks for back pay sent out, until August of that year. And at Merck, three years slowly rolled by. . . the legacy Schering-Plough merger integration was completed; the Merial joint venture was restructured ...

The March for Science (formerly known as the Scientists' March on Washington) is an international series of rallies and marches held on Earth Day. The inaugural march was held on April 22, 2017 in Washington, D.C., and more than 600 other cities across the world. According to organizers, the march is a non-partisan movement to celebrate science and the role it plays in everyday lives.
