Transitioning between third and fourth grade is a big step from the lower elementary level to upper elementary. Students are expected to continue digging deeply into the complexities of math, reading, and writing; to expand their thinking skills; and to work more independently on advanced, structured material.

Grade 4 Social Studies Overview. To be productive members of society, students must be critical consumers of information they read, hear and observe, and communicate effectively about their ideas. Students need to gain knowledge from a wide array of sources and examine and evaluate that information to develop and express an informed opinion, using information gained from the sources and their background knowledge.

JPS 4th Grade Social Studies Scope and Sequence

SOCIAL STUDIES is the integrated study of the social sciences, humanities and history. Within the school program, social studies provides coordinated, systematic study drawing upon such disciplines as anthropology, archaeology, economics, geography, history, jurisprudence, philosophy, political science, psychology, religion, and sociology, as well as appropriate content from the humanities ...
