Amazon.com: Capitalism: A Conversation in Critical Theory ...

The two authors slug it out in a conversation on the usual theoretical view of capitalism as an intangible ism that is to be viewd with suspicion. Didn't take me long to recall fondly the way Mao sent intellectuals to go and work in the fields alongside the 'peasants'.

Amazon.com: Capitalism: A Conversation in Critical Theory ...

In this important new book, Nancy Fraser and Rahel Jaeggi take a fresh look at the big questions surrounding the peculiar social form known as capitalism, upending many of our commonly held assumptions about what capitalism is and how to subject it to critique. They show how, throughout its history, various regimes of capitalism have relied on a series of institutional separations between ...

Capitalism: A Conversation in Critical Theory | Wiley

The picture of capitalism that emerges eschews its reduction to a purely economic system, and instead encompasses its social, political, and natural background conditions and entanglements. Second, as Benhabib has recently argued, a critical theory of society that builds on the legacy of the Frankfurt School needs to focus on crisis. Fraser and Jaeggi offer just such an analysis, beginning from the observation of a 'pervasive sense that we are caught in the throes of a very deep crisis ...

Capitalism: A conversation in critical theory | SpringerLink

This book is an engaging, relatively approachable introduction to recent analyses of capitalism in critical social and political theory. The book is organized as a conversation between Nancy Fraser and Rahel Jaeggi, although Fraser's conceptualization of capitalism as an "institutionalized social order" clearly takes center stage.

Capitalism: A Conversation in Critical Theory by Nancy ...

The picture of capitalism that emerges eschews its reduction to a purely economic system, and instead encompasses its social, political, and natural background conditions and entanglements. Second, as Benhabib (2018) has recently argued, a critical theory of society that builds on the legacy of the Frankfurt School needs to focus on crisis.

Capitalism: A conversation in critical theory

In *Capitalism: A Conversation in Critical Theory* (Polity) Nancy Fraser and Rahel Jaeggi engage in a critical dialogue that seeks to expand our understanding of capitalism, revealing it to be not merely a system of economic relations, but rather a form of institutionalised social order, and one that continually reinvents itself through crisis.

Nancy Fraser and Ann Pettifor: Capitalism: A Conversation ...

A Conversation in Critical Theory, in which Fraser and the Berlin-based Rahel Jaeggi discuss capitalism as a central framework for critical theory, seem to be signs of an improving intellectual health in this corner of contemporary critical social thought.

'Capitalism: A Conversation in Critical Theory' by Nancy ...

Then, too, the term "capitalism" has continued to float around as a synonym for "modernity" in some circles, where the "critique of capitalism" ends up referring to cultural criticism in the vein of Baudrillard and Deleuze. But none of these approaches grasps capitalism in the sense we are talking about here.

Corona Capitalism: Struggles Over Nature (with Andreas Malm)

Though the concept of "stakeholder capitalism" has been around for a half-century, it has only recently begun to gain traction against the prevailing shareholder-primacy model of profit maximization. Now, advocates of a more socially conscious economic system must take steps to ensure that their vision takes hold for the long term.
