Radio Parts at CB World!

CB (or Citizens Band) radio is a type of radio that transmits signals on a channel shared by other CB radios. It transmits and receives using Amplitude Modulation (AM).Their use and popularity peaked during the 1970s, although they're still used by hobbyists today. Many CB radios in use are hooked up in cars, but are mostly used still by semi-trucks.

How to Peak and Tune a CB Radio: 14 Steps (with Pictures)

Radio issues or problems not mentioned above will likely require repair or replacement to resolve. Unlike antenna and SWR issues, radios are much more difficult to work on, repair and diagnose. We guarantee all radios and will replace all defective units (Galaxy models excluded) within 45 days of purchase.
