Dornier Maintenance - Sun-Air Technic

The Dornier 328 (or Do 328) program was initially started while Dornier was still owned by Deutsche Aerospace. According to Deutsche Aerospace program manager Reinhold Birrenbach, the 328 had its origins in market research conducted in and around 1984; feedback from airlines indicated a desire for a fast, quiet, and easy-to-maintain commuter airliner with a 30-seat capacity. [2]
