

# SPONSOR AN APPLE TREE!

The Countryside Restoration Trust has planted a number of apple trees at Turnastone Court Farm in Herefordshire. Forty trees were planted in total including a range of apple trees that are in danger of disappearing. *Tom Putt, Court of Wick, Sams Crab, Crimson Quoining, Hereford Beefing, Newton Wonder, Catian Tom and Lemon Pippin* are some of the wonderfully named varieties that were planted.

We would like to offer you the opportunity to sponsor a tree for **£100** each.

As with the Perry Pear scheme that we ran last year, your name and a short dedication

can be engraved on a plaque which will be attached to the tree guard around your tree. There will also be a plan of where your tree is in the orchard so that you can find it if you wish to visit the farm and see the tree you have sponsored!

To sponsor an apple tree either for yourself or as a unique gift for someone else, please complete the form below and return it to:

The Countryside Restoration Trust, Sponsor an Apple Tree Appeal, Haslingfield Road, Barton, Cambridge, CB23 7AG.

Cheques should be made payable to The Countryside Restoration Trust.
