Frank Butler - When I was 18, I thought my father was...

You know, when I was 18, I thought my father was pretty dumb. After a while, when I got to be 21, I was amazed to find out how much he'd learned in three years. Our final example concerns the issue of Twain's father. As noted above Twain's father died when he was eleven, so the quotation is not consistent with his biography.
