Identity politics won't win this presidential election

The experience — such vicious critiques from a sea of politically engaged, predominantly white, majority male, progressive people — was clarifying for Maxwell. It made her think about the myriad ways that identity plays out in politics, and how much identity has always mattered in U.S. politics. Specifically, white identity.

Is This The Beginning Of The End Of White-Centric Identity ...

From the power in identity politics to the danger in moderate politics, Maxwell writes with clarity and wisdom albeit with a lack of cohesiveness or flow at times.

'The End of White Politics' sheds light on future of ...

Identity politics is a term that describes a political approach wherein people of a particular religion, race, social background, class or other identifying factor form exclusive socio-political alliances, moving away from broad-based, coalitional politics to support and follow political movements that share a particular identifying quality with them. Its aim is to support and centre the concerns, agendas, and projects of particular groups, in accord with specific social and political changes. T

Identity politics - Wikipedia

A Brooklyn lawmaker has assembled a task force to study gender equality to make sure women and transgender New Yorkers aren't left out of the political process. Assemblywoman Rodneyse Bichotte said current election laws don't adequately account for a person's gender identity, and that the rules need to be studied to ensure equal representation.
