Ingersoll Rand Air Compressors and Services

There are probably tens of thousands of Ingersoll Rand P185 tow behind air compressors in use and for sale around the world. I have not been able to get any specific information on this venerable compressor from IR, except that it's a portable - being that it's a towed air compressor - and that it's supposed to provide 185 CFM of air flow when running optimally.

Ingersoll Rand P185 Tow Behind Compressor

At the core of every Ingersoll Rand Next Generation R-Series compressor is an airend that is specifically designed to improve overall system efficiency. In addition to the enhanced single-stage airend, the RS185 to RS260 models are also available with the new two-stage airend. This two-stage airend is the most efficient airend available today.

New Ingersoll Rand Next Generation R-Series 185-260kW ...

A new 185 CFM air compressor can cost anywhere from \$19,000 to over \$50,000. Construction foremen often choose a less-expensive used air compressor when on a budget. If you are going to consider used air compressors for sale listings, then you want to make sure the machine has been tested and fully inspected.
