trying to piece everything together to install the Analog Mercury Troll Control switch on the dash. I don't want to spend the money on the smart craft gauge and this seems like the next best option.

Mercury Troll Control Analog dash Switch Install - Walleye ...

I've been meaning to look into this since I

Online Library Install Manual For Merc Analog

bought my boat. I've got a 2006 Merc Optimax 200. It has the SmartCraft badge on the cowling, but all the gauges are standard (what I assume are analog) readouts. After using the SmartCraft gauges in a few other boats, I'd really like to have that info available too.

Installing Merc SmartCraft Gauge or MercMonitor on

Online Library Install Manual For Merc Analog **Optimax ...**

Good job on the install and choice of SC1000 Monitor. I also installed the monitor in my 06 Classic. I had analog gauges and one of them was a 3" Speedometer. I removed this speedometer and the monitor installed in that same hole. I mentioned that in case others are considering purchasing one and worried about where to
