Life Settlements and Longevity Structures - ISBN ...

The purchase of a life settlement is an investment in longevity. The investor bets that the insured will live for a certain period of time and that the policy will mature as predicted, giving the investor the predicted yield. If the insured outlives his or her life expectancy, the investor will not realize the desired yield.

Life settlements and longevity structures : pricing and ...

A life settlement is the legal sale of an existing life insurance policy (typically of seniors) for more than its cash surrender value, but less than its net death benefit (via Institutional investor)). There are a number of reasons that a policy owner may choose to sell his or her life insurance policy. The policy owner may no longer need or want his or her policy, he or she may wish to ...
