thousand of free ebooks in every computer programming field like .Net, Actionscript, Ajax, Apache and etc.

Linear Algebra Steven Levandosky

I had to use this book for an introductory class on Linear Algebra. Levandosky did a great job writing the book in a logical manner. I was able to follow the book and learn the material when I didn't understand lectures. I appreciated how Levandosky put some proofs so that the reader would get a taste but not be bogged down by them.
