**Love & Respect**  
The main focus is that men need respect from their spouse/significant other...even more than love. Women need love and that is what they want to express...but a man feels loved the most when he feels validated and respected. Women often feel respected when they feel loved...Coming from opposite perspectives is difficult but not impossible.

Often when a marriage is in a tough spot, both spouses tend to give what they feel they need — love and respect, respectively. Wives reach out to their husbands with love, when respect is what would really help. Husbands can back away, thinking of this as a form of respect, “giving space,” when what they need to do is close in with love. 3.

The main difference between love and respect is that one is meant for everyone, and the other is meant for that special someone in your life. You should respect everyone you come across unless they have a good reason not to. Even if you believe respect is earned, you won't earn the respect of anyone if you treat them wrong.
