Becoming licensed as an LVN is a good idea if you're interested in the medical field but not quite ready to jump in with both feet. It's generally much less expensive than going to school to become an RN, and can be done in as little as 13 months at some LVN schools. Once you're an LVN, you can work with doctors and nurses and see if you want to pursue something further, or if you'll be happy continuing to work as an LVN. LVN Skills and Competencies
