His title suggests hundreds of pages and many volumes, but Tomlin compresses Luther and his world into just over 150 pages; and does so adequately. He gives us a volume we might easily consider one of the first to hand to someone who doesn't know Luther very well and say, "Start here."

Review: Luther and His World | Wisconsin Lutheran Seminary

Before the term was coined, Martin Luther (1483 - 1546) was a Christian existentialist par excellence. Along with Augustine of Hippo (354 - 430) and Blaise Pascal (1623 - 1662), Luther is an indispensable theologian of the human condition. This excellent introductory book is very easy to read without dumbing down.
