Politics International Relations Notes

Constructivism posits that International Relations is a part of sweeping discursive struggles. Meaning implied by position, timings and tradition; focussing on identities and discourses. They look at HOW people arrive at certain thoughts, i.e. identity. Interests are questioned, as to how people arrive at certain interests i.e. climate change.

Lecture notes, lectures 1-8, 10 - introduction to ...

International Politics. Governments not only interact with the people they rule but also with other governments—to trade, to share ideas, to work together to solve global problems, and to resolve disputes. Political scientists have been analyzing international relations— relations between states—for centuries, but never more so than during the twentieth century, as scholars tried to explain the reasons for and explore the aftermath of World Wars I and II and the Cold War that followed.

International Politics: Overview | SparkNotes

Structural Realism • Agree that international politics is a struggle for power but do not endorse assumption that this is a result of human nature • Attribute security competition and inter-state conflict to a lack of overarching authority above the states • Power is a means to an end, main concern of states in national security
