## **Raising Kids With Character Developing**

Raising Kids with Character shows parents, clinicians, and policy-makers how the love relationship between parents and children is the workshop of the child's maturing personality, connecting everyday moments in family life to the growth of the child's sense of values and meaning. The book explains how children develop into fine, morally strong adults through their identification with loving parents, and combines practical wisdom about ordinary family experiences with an in-depth discussion ...

...

The development of positive, stable character traits should flow directly from spiritual growth. Attempts to train a child to be "good" will be relatively meaningless and have only limited success if that child has no personal relationship with God and no real understanding of His love and justice.
