Legal issues that impact museums include non-profit, business, contract, tax, property, intellectual property, employment, insurance, art and cultural heritage law as well as a whole host of other laws. Ethical guidelines, such as those promulgated by the American Alliance of Museums, also influence museums' actions.

### **Legal Issues in Museums - American Alliance of Museums**

The museum world is well protected against effective legal supervision, and museum boards and directors generally are happy to let it stay that way. Neither the American Association of Museums nor the Association of Museum Directors agitates for expanded standing. On the contrary, they oppose it.

The handbook is called The Field Guide for Museums with the notion that if a person were in the wilderness and needed to make a fire it wouldn't be in their best interest to learn the history or theory of fire. The immediate need would be how to start a fire in order to survive. Likewise, this "field guide" is designed to help you survive.
