### HFS001 Jabra Cruiser Bluetooth® Car Kit User Manual ...

The original was 39mm x 38mm, so this one is really close to the same physical size. If the battery is much longer than the original it won't fit, so be careful if you order a different battery. Also, the Jabra Cruiser 2 will NOT work with the battery removed, so you can't just pull the battery and use it plugged in.
