How To Write A Literature Review, with Example

How to write a literature review.

Published on February 22, 2019 by Shona McCombes. Revised on August 10, 2020. A literature review is a survey of scholarly sources on a specific topic. It provides an overview of current knowledge, allowing you to identify relevant theories, methods, and gaps in the existing research.

The Literature Review | A Complete Step-by-Step Guide

The literature review, whether embedded in an introduction or standing as an independent section, is often one of the most difficult sections to compose in academic writing. A literature review requires the writer to perform extensive research on published work in one's field in order to explain how one's own work fits into the larger ...

Writing Literature Reviews 7th edition | 9780415315746 ...

Strategies for writing the literature review Find a focus. A literature review, like a term paper, is usually organized around ideas, not the sources themselves as an annotated bibliography would be organized. This means that you will not just simply list your sources and go into detail about each one of them, one at a time. No. As you read ...
